

Contract Surety

As one of the most experienced surety providers in the world, Allianz Trade partners with a professional network of surety brokers to provide customer-oriented solutions to regional, national, and global construction organizations.

Benefits of Allianz Trade Surety

A solid guarantee: Our investment grade rating is accepted by corporations and banks across the globe. Our market position is further backed by the financial stability of Allianz, the global leader in financial services, making Allianz Trade a reliable counterpart for your beneficiaries and financial partners.

Team of specialists: Our experienced and knowledgeable construction and surety specialists provide you with responsive service and solutions, making it easy to do business.

A true international partner: Allianz Trade is uniquely capable of providing true integrated international surety programs, giving you central management and one point of contact for all global operations.

Proprietary information: Our worldwide presence and information on global markets allow us to accurately calculate the risks you face to provide the coverage you need.

100+ years of experience: With more than a century of experience in North America and our global surety network, Allianz Trade combines local knowledge with global expertise to be your trusted surety partner.
