Datum Line

1. It is agreed that cover under the **Policy** is limited to **Buyers** where the Datum Line provisions have been satisfied.

2. For your insured receivables to be covered under the **Policy** the total outstanding amount owed by the **Buyer** must have reached or exceeded the Datum Line threshold specified in the **Special Terms** at least once in the last 12 months preceding any **Supply** and you hold a positive **Permitted Limit** on a **Buyer**.

3. You must request a **Permitted Limit** from us or the Risk Service Provider as soon as the total outstanding receivable due from the **Buyer** exceeds the Datum Line threshold specified in the **Special Terms**.

   Any **Permitted Limit** request made by you on a **Buyer** for an amount less than the Datum Line amount specified in the **Special Terms** will be deemed to have been made in error and the exclusion defined in section 2 of this endorsement will apply.

4. In addition to 6.1.b of the General Terms and Conditions of the **Policy**, you must not declare the value of **Supplies** entirely excluded from cover by section 2 of this endorsement.

5. To make a claim for an unpaid insured receivable, you need to file a **Claim and Collection form** comprising all receivables owed to you by the relevant **Buyer** (whether or not (i) those receivables are insured receivables or (ii) the total amount of unpaid receivables is greater than the relevant **Permitted Limit**) including a detailed statement showing all transactions with and terms of sale for the **Buyer**, including the highest total outstanding receivable due at any time during the **Policy Period**.

6. This endorsement does not vary, alter, waive or extend any of the terms and conditions of the **Policy** except as expressly stated in this endorsement.
