#### Delayed Effect of Limit Restriction in respect of Forward Booking Endorsement

Notwithstanding Section 2.04 (b) of the General Terms and Conditions it is agreed that any:

1. withdrawal of an **Approved Limit** will take effect (XX) days after the date you receive our notification; and
2. reduction of an **Approved Limit** will take effect (XX) days after the date you receive our notification

(the “Delayed Effect Period”)

provided that neither:

- the **Buyer** is in a **State of Default** nor,
- you have any reason to believe that the **Buyer** is or may be unable to meet its payment or any other contractual obligation.

Notwithstanding the above, you and we agree that Section 2.04 (c) of the General Terms and Conditions will not apply to any non-cancellable contract concluded after the date you receive our notification of withdrawal or reduction of **Approved Limit**, and we will have no liability for losses related to the performance of those non-cancellable contracts.

However you may continue to make forward bookings of advertising space during the Delayed Effect Period provided that:

- (a) the due date for appearance of the advertisement is not more than (XX) months from the date of the forward booking; and
- (b) the forward booking relates to an advertising campaign which you can evidence was already planned prior to the date of our notification, or is in accordance with your normal pattern of business with the **Buyer**.
